HEALTHSOUTH HARMARVILLE REHABILITATION HOSPITAL RECEIVES NATIONAL CLINICAL EXCELLENCE AWARD

PITTSBURGH, Pa. – HealthSouth Harmarville Rehabilitation Hospital recently received the Outstanding Performance in Clinical Excellence Award during HealthSouth’s Annual Meeting and Awards Banquet in Chicago, Ill.

HealthSouth Harmarville is one of only five hospitals in HealthSouth’s network of more than 100 hospitals to receive the prestigious award. The award recognizes outstanding clinical performance and quality of patient care services.

“Being honored with the Outstanding Performance in Clinical Excellence Award is recognition for our commitment to high-quality, cost effective healthcare,” said HealthSouth Harmarville Rehabilitation Hospital CEO Ken Anthony. “Working together as a team, our staff has demonstrated a genuine concern for our patients’ satisfaction by always trying to provide whatever it takes for a successful outcome. I applaud our physicians, nursing staff, therapists and all of the hospital staff and take great pride in accepting this award on their behalf.”

About HealthSouth Harmarville Rehabilitation Hospital

HealthSouth Harmarville Rehabilitation Hospital is a 160-bed inpatient rehabilitation hospital that offers comprehensive inpatient and outpatient rehabilitation and home health services. Serving patients throughout Western Pennsylvania, the hospital is located at 320 Guys Run Road and on the Web at www.healthsouthharmarville.com.

About HealthSouth

HealthSouth is the nation’s largest provider of inpatient rehabilitative healthcare services. Operating in 26 states across the country and in Puerto Rico, HealthSouth serves patients through its network of inpatient rehabilitation hospitals, long-term acute care hospitals, outpatient rehabilitation satellite clinics and home health agencies. HealthSouth’s hospitals provide a higher level of rehabilitative care to patients who are recovering from conditions such as stroke and other neurological disorders, orthopedic, cardiac and pulmonary conditions, brain and spinal cord injury, and amputations. HealthSouth can be found on the Web at www.healthsouth.com.
